**Instructions to Reviewers:**

1. All individuals reviewing this application are required under 35 USC 181 to sign and date this form regardless of whether they are making a secrecy order recommendation.
2. The attached copy of the application, any copies made therefrom and this form must be returned to the PTO once a recommendation not to impose secrecy has been made or a secrecy order has been rescinded.

**Time for Completion of Review:**

Pursuant to 35 U.S.C. 184, the subject matter of this application may be filed in a foreign country for the purpose of filing a patent application without a license any time after the expiration of 6 months from filing date unless the application becomes the subject of a secrecy order.

The USPTO publishes patent applications at 18 months from the earliest effective filing date. The USPTO will delay the publication of an application if it is determined that the application is a defense agency under 35 USC 181 and no later than 6 months from the filing date or 90 days from the date of referral to the agency. This application will be delayed for publication 6 months from the filing date or 90 days from the above "Date Referred" whichever is later, unless a response is provided to the USPTO regarding the necessary recommendation as to the imposition of a secrecy order.

**Instructions to Reviewers:**

1. All individuals reviewing this application are required under 35 USC 181 to sign and date this form regardless of whether they are making a secrecy order recommendation.
2. The attached copy of the application, any copies made therefrom and this form must be returned to the PTO once a recommendation not to impose secrecy has been made or a secrecy order has been rescinded.

**Time for Completion of Review:**

Pursuant to 35 U.S.C. 184, the subject matter of this application may be filed in a foreign country for the purpose of filing a patent application without a license any time after the expiration of 6 months from filing date unless the application becomes the subject of a secrecy order.

The (USPTO) subject patent application is not to be filed in a foreign country until 6 months after the date of the USPTO filing date. The publication of an application in full or in part, made or caused to be made by a defense agency under 35 USC 181 and not an earlier date, commencing from the filing date of 30 days from the date of referral to the agency. This publication will be taken as the publication 6 months from the filing date of 30 days from the date of "Date Referred" which will be 17. Unless a decision is made under the (USPTO) regarding the proposed recommendation as to the administration of 35 USC 181.
